

Product quality			
		Test standard	Rating
	Pack		15 Stück / 7 m ²
	Size		790 x 590 mm
	Thickness		5 mm
	Weight		1.28 kg/m ²
	Bulk density		Ca. 250 kg / m ³
	Thermal conductivity (suitable for water floor heating)	EN 12664	0.07 m ² *K/W
	Accoustical impact noise reduction	ISO 717-2	Up to 19 db
	Vapor barrier		0.025 m
	Reaction to fire	EN 13051-1	E
	High compressive strength		Up to 20 to/m ²
	Disposal		Waste code (EAK-Code) 030105

Operational task

Underlay in Sheet for the floating installation under laminat, engineered wood flooring.

Produkt composition

Wood fibre, aluminium sulphate, paraffin, dye. Porous wood fibre insulating board according to EN 622-4

Environment

Ecological an enviromentally friendly,recylable

The mark of responsible forestry
